# CRAFTSMAN EXAMINATION, NOVEMBER 2008 COMMON

# QUESTION AND ANSWER BOOKLET

## Time allowed THREE hours

#### INSTRUCTIONS

Check that the Candidate Code Number on your admission slip is the same as the number on the label at the top of this page.

Do not start writing until you are told to do so by the Supervisor.

Total marks for this examination: 100.

The pass mark for this examination is 60 marks.

Write your answers and draw your sketches in this booklet. If you need more paper, use the blank pages at the back of this booklet. Clearly write the question number if any of these pages are used.

All working in calculations must be shown.

#### Candidates are permitted to use the following in this examination:

Drawing instruments, approved calculators.

#### The following are NOT permitted in the examination room:

Any publications, Acts, Regulations, Codes of Practice, or Standards

Check that this booklet has all of 21 pages in the correct order and that none of these pages is blank.

#### YOU MUST HAND THIS BOOKLET TO THE SUPERVISOR AT THE END OF THE EXAMINATION

- (a) Several metal service pipes penetrate a fire rated floor, but are too close together for fire collars to be used. State TWO alternative methods of fire proofing the penetrations.
